

Fashion Style: Part2

.....

Time flew by... One day,

May showed me a quote.

Confidence is not:
they will like me.

Confidence is:
I'll be fine if they don't.

Now, you know me,
that I care a lot about
what other people
think about me,

and I get stressed
if I don't get
loved by all.

That day, the message placed
deep inside my heart.

Time flew by again.

I needed to go to the supermarket to get some ingredients.

I was wearing a short t-shirt and a pair of leggings, so I looked for a long top to wear on top of my t-shirt to go outside.

Soon , I found that
I couldn't wear the jumper.

So I was about to change
my clothes, but...

... I thought about it.

It's because
I'm worrying about
other people's....

.. views
when they see me
wearing this.

But...
Who cares???

I thought about confidence.

Finally, I left home just wearing
a hoodie to keep me warm.

Failed

Sad Guy...
